Dear Parents and Carers,

50th Birthday Events

Our school is due to celebrate its' 50th Birthday in the Autumn Term. Staff have already been thinking about different things we could do to commemorate this event and have decided that the time has come to update our school logo to reflect our current school community and values.

We are therefore inviting children to have a go at designing a school logo that links to important parts of our school life. We have provided a shape template that children can fill with their idea for a new logo. The shape below the shield could be used for words if required.

We will then ask a team of staff and Governors to choose our new logo from the submitted designs in September and will begin the process of changing our current logo over the school year. Any uniform with the old logo will be phased out slowly and there will be no requirement for embroidered uniform to have the new logo on until September 2018. Please be aware that if you do need to buy new uniform as the old logo is being phased out we are happy for children to wear the plain bottle green sweatshirts and cardigans available at all main supermarkets.

If you have any queries about any of the above then please pop in and speak to us.

Best Wishes

Lindsay Rebbitt
