

Caring

**We want learners to care about each other and the world around them.
We want them to be able to talk about how they feel with confidence and understand how their actions can affect others.**

Is about:

- Relationships
- Communications
- Co-operation & collaboration
- Self-awareness
- Feelings
- Choices
- Empathy
- Listening
- Respect

Learners in our school will:

- Help each other
- Be friendly
- Accept each other's differences
- Feel valued
- Take pride in their work
- Give compliments
- Forgive mistakes
- Smile at each other
- Share
- Be polite
- Listen to others
- Be aware of their feelings
- Encourage each other
- Understand how their actions can affect others

Grown-ups in our school will:

- Put the needs of children first.
- Make time for children, parents and carers
- Work together
- Treat people equally
- Model how we care through stories and discussion
- Provide a nurturing environment
- Remember things that matter to children in their care
- Listen
- Be approachable and supportive
- Accept differences
