

# Creativity

## Is about:

- Imagination
- Understanding
- Originality
- Inspiration
- Energy
- Innovation
- Self-Belief
- Confidence
- Curiosity

## Learners in our school will:

- Not be afraid to use their imagination
- Deepen their understanding through art
- Express their learning in unique ways
- Be inventive, inquisitive and curious
- Encourage each other's creativity
- Inspire one another
- Value the work of others
- Be proud of the things they make and do
- Feel confident exploring different art forms
- Enjoy the creative process
- Develop the skills they have

**We want learners to explore their learning creatively.**  
**We want them to have the courage to express their ideas in unique and interesting ways.**  
**We want them to learn about and enjoy different art forms.**

## Grown Ups in our school will:

- Value creativity
- Value the creative gifts of each child
- Teach in creative ways
- Share their own gifts
- Encourage inventive imagination and inquisitive curiosity
- Inspire their children
- Praise interesting, unique expressions of learning
- Make their classroom a creative space
- Introduce different art forms
