

Respect

We want learners to respect the people and environment around them and understand that they have responsibilities.

We want our children to understand equality and have empathy for others cultures and beliefs

Is about:

- Relationships
- Communications
- Co-operation & collaboration
- Self-awareness
- Tolerance
- Choices
- Empathy
- Listening
- Knowledge

Grown ups in our school will:

- Listen to each other
- Share and take turns
- Look after our environment
- Look after property
- Communicate rules and boundaries clearly
- Be consistent
- Value differences openly, modelling this for the children
- Speak respectfully
- Provide opportunities to learn about other cultures and beliefs

Learners in our school will:

- Listen to each other
- Share and take turns
- Look after our environment
- Look after property
- Follow rules
- Respect other children's right to learn
- Accept that we are all different
- Value differences
- Speak respectfully to others
- Respect opportunities
- Be open to learning about other cultures and beliefs
