Dear Parents and Carers

MENGHAM INFANT SCHOOL – WELCOME VIDEO

Thank you for all your help and support over what has been a very challenging time. As I am sure you are aware, it's already the time of year that parents of new entrants begin to consider where to send their child to school next September. This brings about some challenges when it comes to being able to look around the school and decide the school that is best for their child.

At Mengham we want to make this as easy as possible by giving parents as much information as possible to make their choice. Therefore, on Friday we will be filming a tour of the school that will show some of the key parts of our school day as well as showing some of the learning that the children are doing. This will be similar to one that we filmed previously that can be found on our website homepage.

We are aware that there are some children who cannot be in the video but we would like to feature as many members of our school community as possible. Therefore in filming what is going on in school it is likely that your child may be in some of the shots or may be speaking on the video. No child will be named in the video and the video will only be available via our website and our youtube channel.

If you **DO NOT** wish for your child to be in this video, then please return this slip and they will be withdrawn from any class activity that is being filmed.

Thank you for your continued support at this time and we look forward to you seeing the finished video which shows off our wonderful school community! If you have any further questions, please get in touch with the school office.

Best wishes

Mrs Rebbitt
