20<sup>th</sup> March 2020

Dear Parent/s Carers,

We understand that many of you may have concerns to what is happening with the breakfast, afterschool and holiday club services through these uncertain times. We can confirm, until told otherwise our services will remain the same and operate to support keyworker families only as outlined by the government. Our times will be 8-8.45am for breakfast club, £3 per session and afterschool club will run from 3.10 - 6pm, £10 per session. Mengham Junior school children will be taken and collected to and from as normal if using our service.

Please note, our service will only be available to children that are showing no signs/symptoms of the virus, i.e. cough/fever (temp of 37.8 or above) and have not been in contact with anyone who has. Those with symptoms are asked to isolate for 14 days along with all family members. Please be open and honest about your child's and family's health. We would like to remain open for as long as we can, as well as protecting all children in our care, ourselves and our own families.

We will continue to work in partnership with parents throughout. If we must close because the government enforces complete closure, we will give you as much notice as we possibly can and try and eliminate as much distress as possible.

We'd like to take this opportunity to express how much we all care about your children and your families and want to ensure that we do our bit to help everyone stay safe and healthy, not only physically but emotionally and financially. Please message or speak to us directly to discuss further and answer any questions if possible.

Many thanks for your patience and support during this unprecedented time

Stay safe and keep well

Kind regards

Vicky Clarke
