Dear Parents/Carers

WHOLE SCHOOL SCIENCE DAY MONDAY 3RD JUNE

I am excited to let you know that the first day back after half term is our whole school Science Day!

This means that every class will be taking part in lots of different scientific experiments and investigations for the whole day!

We would love all the children to come in to school dressed ready for science that day (this could be in a scientist outfit, or in their own clothes that are safe for science). If there are any mad scientists out there who feel like dressing as one, there will be some prizes for the best outfits!

As part of one of our experiments, we really need some old socks that are not needed any more. The socks can be any size, children's or adults but **THEY MUST BE CLEAN!** The children can bring them in either this week or on the day.

We are looking forward to an amazing day and thank you for your continued support.

Yours sincerely

Mrs Carter
(Teacher and Science & English Lead)
