

Home School Learning for Year 1 - Spring 2 2019

This half term our topic is **Once upon a time** - A4 size work should be stuck in Home-School liaison books. Large homework should be brought to school during the week beginning Monday 25th February (**not before**).

The grid below contains nine different activities that your child can complete at home to support their learning at school. We would like your child to try and complete **a minimum of one row of three** home-learning activities by the end of the half term. The row can be horizontal, vertical or diagonal but must pass through the centre square. You can use the home school liaison book to report back and stick work in where appropriate.

Art/craft activity Can you make a collage of your beanstalk to represent its growth?	Science - Can you grow a beanstalk of your own? You could measure its height. I wonder if it will grow from magic beans...	Spoken Language - retell a traditional tale to your family. Use the key language such as 'Once upon a time...'
Science - Can you draw a picture to show what the Spring season is like in this country?	Non negotiable task - Read home reading book AT LEAST 3 times a week.	Maths - reasoning: Ask an adult to read the reasoning questions to you: how many different ways can you share 10? Can you share 6 equally between 4 people? Tell me how you know!
Story time - ask adults to read a traditional tale to you and discuss the pictures together.	Writing - write a story using key features such as 'once upon a time' and 'they all live happily ever after'. Do not forget capital letters and full stops!	Computing - use the Internet safely with an adult to design a poster for our play 'The Jolly Postman'.

Maths and English

- Writing in sentences using capital letters and full stops.
- Include conjunctions in sentences (and, because, but, so).
- Correctly using the weekly spellings in their writing.
- Learning phase 5 letters and sounds.
- Number and Place Value - numbers to 50.
- Multiplication and Division
- Sharing amounts between 2 people
- Addition and Subtraction
