

Home School Learning For Year 1 - Autumn 1 2018

This half term our topic is **All about Me and Pirates** - A4 size work should be stuck in Home-School liaison books. Large homework should be brought to school during the week beginning Monday 15th October.

The grid below contains nine different activities that your child can complete at home to support their learning at school. We would like your child to try and complete **a minimum** of one row of three home-learning activities by the end of the half term. The row can be horizontal, vertical or diagonal but must pass through the centre square. You can use the home school liaison book to report back and stick work in where appropriate.

Art/craft activity - Weave with old plastic bags - Can you make a rug for a pirate? Or a sail for a pirate ship?	Science - Can you make a pirate a waterproof hat? Help protect him/her from the rain.	Writing task - Draw a story map for your own pirate story. Write some sentences to go with your map.
Science - Materials detective - Can you find objects made from wood, plastic, glass, metal, water and rock? Draw and label the things you find. Can you describe the simple properties of these materials?	Non negotiable task - Learn all phase 3 and 4 phonics. Read and spell Phase 3 and 4 tricky words.	History Research - Find out about Pirates from the past.
Reading - How many pirate stories can you read?	DT Food - Plan and make a healthy wrap. Record as a drawing or a photo. Tell us all about it.	Maths activity - Can you write your own number line with numbers 0 - 30? Are your numbers in the correct order? Have you written your numbers the right way?

Maths and English

- Writing in sentences using capital letters and full stops.
- Correctly using the weekly spellings in their writing.
- Learning and using Phase 3 and 4 letters and sounds.
- Numbers to 20. Write, order and find missing numbers.
- Using number lines and numicon to show numbers.
- Using objects to show addition and subtraction with numbers up to 10.
- Number bonds to 10.

Useful 5 minute Time Filler Activities Linked to Year 1 Expectations
